ABOUT US

MWBE Constructors, Inc. is a NYS-certified Minority- and Woman-Owned Business Enterprise providing supplier readiness, contractor development, MWBE/SDVOB compliance, community engagement, strategic communications and project support. With deep experience in construction, procurement and small-business development, we help owners, agencies, primes and institutions build stronger pipelines of qualified small and diverse businesses.

CORE COMPETENCIES

Compliance Monitoring

MWBE/SDVOB utilization tracking, certified payroll review, documentation and reporting.

Communications, Media & Outreach

Strategic messaging and public relations, media relationships and appearances across regional TV, radio and news outlets, trusted-messenger, event planning and production.

Community Engagement & Stakeholder Relations

Stakeholder engagement, community meetings, contractor recruitment, information sessions, neighborhood outreach, public-facing project communication and trust-building strategies for construction and economic-development projects.

Project Management & Owner's Rep

Project oversight, site inspections, progress documentation, contractor coordination, schedule monitoring, meeting participation, issue tracking and contract administration

Supplier Readiness, Contractor Development & Procurement Pipeline

Readiness assessments, capability development, procurement training, certification support, supplier identification, opportunity matching, buyer and prime connections, and pipeline tracking for small and diverse firms. Includes targeted preparation for advanced manufacturing, infrastructure and major capital-project supply chains.

DIFFERENTIATORS

- Built-In Business Pipeline
- Readiness-to-Opportunity Model
- Construction + Economic Development Expertise
- Data-Informed Engagement
- Trusted Community & Industry Relationships
- Integrated Outreach & Visibility
